

TOKHIRJON KHASANOV

FRONT END DEVELOPER

PROFILE

As a front-end developer with 1 year of experience, I am dedicated to creating visually appealing and user-friendly websites. My proficiency in HTML, CSS, JavaScript, and other web technologies has enabled me to deliver high-quality websites that meet clients' needs and enhance user experience.

WORK EXPERIENCE

Front end developer

IT-Park (Tashkent) | 2021 - present

- Writing HTML, CSS, and JavaScript code.
- Testing and debugging code
- Implementing responsive design to ensure the website works well on all devices

Junior front end developer (apprenticeships)

The Rolling Scopes School EPAM | Sept 2022 - Dec 2022

- Optimizing the website for speed and performance
- Collaborating with back-end developers to ensure that the front-end and back-end of the website work seamlessly together.

EDUCATION

Secondary School

City High School | Sept 2009 - May 2020

- Studied project planning, coordination, and ethics
- Worked with various startups on launching new apps and services

Warsaw Management University

Bachelor Of Computer Engineering | Oct 2021 - Expected Jan 2025

- We learn about programming languages such as C, C++, Java, Python, and others.
- the principles of computer networking, including network protocols, network topologies, and network security.
